

ADA

It is our policy at RCS to abide by the standards of the Americans with Disabilities Act as they may apply to a Portable Carnival.

Entrances and Exits will have the appropriate wheel chair signage.

Ramps where feasible will have 1" drop for every 12" of slope.

Gates where applicable will have a 36" opening.

Queue Lines that have a switch back will have a 60" opening at the change of direction.

Wire Mat covers designed for wheel chairs will be used where appropriate.

Food Stands will post the wheel chair signage and if service windows exceed 36" from ground level an employee will exit stand if necessary to service disabled guest.

All Food Stands that offer condiments will supply a table not to exceed 36" in height for our guests.

Ticket Booths with service windows that exceed 36" above ground level will have a clipboard attached for use by a disabled guest.

When walking the Midway it is advisable to always be alert for any obstacles that may impair any of our Guests with or without disabilities.
